Dear Stefanie,

The Chattanooga Area Regional Transportation Authority (CARTA) has reviewed your application for Disadvantaged Business Enterprise status. I am pleased to inform you that your firm meets the eligibility requirements. CARTA has certified your firm for DBE status effective August 26, 2021.

If at any time, there is a change in ownership or control of your firm you are required to submit a new application. You will be required to update your eligibility every year by submitting a renewal application and associated documentation. CARTA will try to contact your firm regarding pending expiration of certification one month prior to the expiration date. However, the assurance of continued certification is the responsibility of the firm.

Thank you for your interest in CARTA's DBE program. If I can provide additional information or assistance, please let me know.

Sincerely,

Annie Powell
DBE Coordinator
